

# Lack of Security Threatens Safety of Knowledge Corridor: There Are No CCTV Cameras Installed on the Stretch

"There are no CCTV camera installed along the roads in the Knowledge Corridor leading to the Gujarat National Law University (GNLU) and four other institutions. Ministry of Transport and the Commissioner of Transport, government of Gujarat have been requested by GNLU and other institutions to take steps for the safety and security of the public in this area. The knowledge corridor is host to major institutes of learning.

It has been observed that there are many cases of rash driving and no arrangements have been made to keep a check on them. There are no police or traffic personnel deputed in this area for the security of the student, staff and the public residing in and around the institutions. ...
