

# GNLU Starts New Courses

**DNA : Daily News & Analysis**

September 4, 2013

"Gujarat National Law University (GNLU) has started new fellowship and certificate courses from the starting academic year in order to reach its goal.

GNLU director Bimal Patel said the courses include real estate law, policy and practice, mergers and acquisitions, energy law - policy and practice, air and space law and maritime and law of the sea. As there is ample opportunity to conduct research in these areas, the varsity has got three fellows. One from a foreign university and two Indian scholars to conduct research and certificate courses for students from GNLU and outside. The professionals can also be part of these courses, said Patel.

The varsity is still looking for two fellows to take the program in the implementation stage. ...
