

# Trust your judges, says Gogoi on CAA resolution

Ahmedabad: Former Chief Justice of India Justice Ranjan Gogoi said on Monday that resolution of the issue of Citizenship Amendment Act must be through constitutional means. He was speaking at Gujarat National Law University as part of a lecture series. "The matter is pending before the Supreme Court. Trust your judges. They will decide according to the Constitution," he said. He also said people don't want to be judges. "Good people are backing out... The day your name is recommended, 100 letters will be sent, alleging from A to Z," he said. TNN **P5**
